

Foselev is an independent group whose range of services is centred on industry and construction and civil engineering. The group has a network of approximately 40 offices in France.

Foselev has five central activities:

- ✓ Lifting;
- ✓ Maintenance and industrial pipework;
- ✓ Environment: depollution and rehabilitation of industrial sites;
- ✓ Ship repairs; and
- ✓ Modular construction.

At the heart of the group's activities in ship repair, **Foselev Marine** is the specialist in the French Mediterranean for the repair of luxury yachts.

Foselev is the only shipyard on the Côte d'Azur for yachts up to a length of 75 metres:

- ✓ with a 1,700-tonne floating dock;
- ✓ with 250 metres of private quays;
- ✓ with two vessels: a tug and the *Castor 2*, a dynamic positioning ship with a length of 44.75 metres.
